Thanks Jim – I found them both on the NRC website.

Bruce,

I looked through my Dewey-Burdock email and did not find these. I would look for them on the NRC's ADAMS public document search engine.

Subject: DB ESA List of Documents

Hi Jim,

At the end of the ESA is a List of Documents. I'd like a copy of the 2nd and 3rd items there, which are the following USFWS citations:

FWS, 2012b. "Re: Follow Up for the Proposed Dewey-Burdock *in-situ* Recovery Project, Fall River and Custer Counties, South Dakota."

FWS, 2010. "Environmental Comments on Powertech Dewey-Burdock Project, Custer and Fall River County, South Dakota."

I didn't see these located within the SharePoint site - but perhaps I missed them. Do you recall where items from the List of Documents can be found? Thank you.

Bruce
